

Cybersecurity Event

Lille, 4-5 December 2023

FULL PROGRAM

Monday 4th of December 2023

12:00 – 14:00 : Welcome and lunch in the headquarters of Lille Metropole

Learn more about Lille Metropole's competences, territory and economic clusters, in particular the digital and cyber sectors, during a welcome lunch in our headquarters.

14:00 – 15:15 : Visit of the Cyber Campus and EuraTechnologies

Visit *EuraTechnologies*, a vibrant ecosystem of entrepreneurs, partners and investors who are building tomorrow's european tech champions with a positive and sustainable impact, and the *Cyber Campus* which welcomes companies (SMEs), start-ups, government departments, training bodies, students and research players, with the aim of bringing together the region's cyber community and developing synergies between these different players.

15:15 – 16:00 : Start-up pitching session

Welcome to the future ! Meet the players whose innovative practices will shape the future of cyber security.

16:00 – 17:30 : Thematic round table with an external speaker

Join us as we discuss how to implement EU directives at local and national levels. Speaker TBC.

19:30 – 21:30 : Free evening in the city center of Lille

Tuesday 5th of December 2023

09:30 – 10:15 : Visit of the DGGN (Direction Générale de la Gendarmerie Nationale – National Police Force Department)

Learn more about how the French Military Police tackle cybersecurity challenges on a national scale.

**10:30 – 11:15 : Visit of the CSIRT (Computer Security Incident Response Team)
operated by the CITC | IoT Cluser**

Learn more about the operational and technical aspects of cybersecurity as you meet members of the CSIRT, operated by the CITC. The CITC is a digital innovation hub, and a center for expertise, research and development, training and monitoring.

11:30 – 12:30 : Meeting of the Eurocities Community of Practice on Cybersecurity

Take part in the first in-person Eurocities Community of Practice meeting, a regular meeting that takes place between experts and actors in the field of cybersecurity : an exclusive opportunity to discuss common issues, threats and difficulties, and how to overcome them !

12:30 – 13:30 : Networking Lunch

As the event wraps up, join us for a networking lunch reception – this will be the opportunity to share knowledge, learn about various projects, and discuss future prospects while meeting like-minded professionals and prospective partners.

Don't wait to register ! Places are limited, and registrations will close on the 24th of November ! You can find the registration link [here](#).

We look forwards to seeing you in Lille ! If you have any queries, please do not hesitate to contact us.
