Invitation

The Secretary of State for Science, Energy, Climate Protection and Environment of Saxony-Anhalt, Thomas Wünsch, cordially invites you to the event

„Medtech-Innovations from Magdeburg (GER) with a focus on medical intervention and MR-imaging”

Friday, 25th October 2024 | 09:30 - 13:30

Representation of Saxony-Anhalt to the EU
Boulevard Saint Michel 80
1040 Brussels

The Research Campus STIMULATE at Otto von Guericke University of Magdeburg and its partners innovate and develop image-guided minimally invasive operations and transfer them to industry and ultimately to patients.

The public-private partnership, funded by the Federal Ministry of Education and Research and Saxony-Anhalt, is improving the treatment of age-related common diseases in the fields of oncology and neuro- and cardiovascular diseases with innovative methods. Please find the Programme attached.

Registrations will be accepted until 22 October 2024 under this link.

We look forward to your participation!

By registering for the event, you are giving your consent to being photographed/filmed during the event for PR and state marketing purposes, and to such images being stored and published on the website www.sachsen-anhalt.de, on social media (the state government's or event partners' Facebook and X accounts), and in publications. You may withdraw your consent at any time via events@stk.sachsenanhalt.de.
We would like to continue to invite you to our events in the future. For this purpose, we will store your personal data in our contact database. If you would prefer not to receive future invitations to events held by the Representation of the State of Saxony-Anhalt to the EU, please notify us by sending an email to events@stk.sachsen-anhalt.de. You can find further information about data protection on our website under the heading 'B.
